The chart is a bracket system for a wrestling tournament. It starts with a main bracket on the left, branching into three main sections: 3RD, 4TH, and 5TH. Each section contains multiple matches, with participants' names and dates listed. The chart shows a series of eliminations and byes, leading to the final matches. The names of the participants are color-coded: blue for the winners and red for the losers. The chart is a detailed record of the tournament's progress.
