2022-23 NAIA Women's Wrestling Coaches Top 20 Poll – Final

KANSAS CITY, Mo. - Life (Ga.) maintains the top seed in the final regular season Yes! Athletics NAIA Women's Wrestling Coaches' Top 20 Poll. The rest of the Top Five stays in lock step with Grand View (Iowa) in second, Southern Oregon in third, Menlo (Calif.) fourth and Cumberlands (Ky.) fifth.

Poll Methodology

- The poll was voted upon by a panel of head coaches representing each of the five conferences.
- The top 20 individuals in each weight class is based on how each voter ranks the best individuals. An individual receives 20 points for each first place vote, 19 for second place and so on through the list. This same point system is used to determine the team ranking.
- The highest and lowest ranking for each team (a non-rating is considered a low rating) is removed and the team's ranking will be recalculated with an additional point added to each team for every ballot.
- Teams that receive only one point in the ballot are not considered "receiving votes."
