## 2023-24 NAIA Women's Wrestling Coaches Top 20 Rating – Final

**KANSAS CITY, Mo.** - The final edition of the NAIA Women's Wrestling Ratings for the 2023-24 season had no change in the top five as Menlo (Calif.), Life (Ga.), Grand View (Iowa), Southern Oregon, and Providence (Mont.) all remained at the same rank. Oklahoma City had the biggest jump of the week, up two spots to No. 7 heading into conference tournament.

### Poll Methodology

- The poll was voted upon by a panel of head coaches representing each of the five conferences.
- The top 20 individuals in each weight class is based on how each voter ranks the best individuals. An individual receives 20 points for each first place vote, 19 for second place and so on through the list. This same point system is used to determine the team ranking.
- The highest and lowest ranking for each team (a non-rating is considered a low rating) is removed and the team's ranking will be recalculated with an additional point added to each team for every ballot.
- Teams that receive only one point in the ballot are not considered "receiving votes."
