A WAY OF LIFE

**JB ALPHA 2.0 | UNITED**

"Wrestling transcends sport, race, gender, class, culture... everything. As we grapple with one another, we become closer. Our divisions fall and our similarities are exposed. Although opponents, there is a mutual respect that exists. Very few are courageous enough to step into the circle together; it is through this struggle we are... UNITED."

# RICK SANDERS

IN THE MOMENT

BIOGRAPHY OF AN OLYMPIAN  
BAHNE BAHNSON

**RICK SANDERS** was known to many as the first wrestling hippie. A product of the 1960s counterculture, Rick's unabashed approach to a life of total personal freedom rankled many in the sport's traditional ascetic culture. At mat-side, he stood out with his long hair, beard, and love beads. On off hours, he drank beer, studied nightlife religiously, and whenever possible, he listened to loud rock and roll.

But through it all, he impressed. With a stellar college record of 103-2, Rick was named Outstanding Wrestler at NIAA, D-II, and D-I levels of competition—the only wrestler to earn the title at all three levels. He became America's first ever freestyle wrestling World Champion in 1969. And he medaled at the prestigious 1968 and 1972 Olympic Games, competing alongside the likes of Bobby Douglas, Wayne Wells, and Dan Gable. Fifty years after his tragic death,

FloWrestling placed Sanders 21st on their recent assessment of the top 100 best wrestlers, with Mark Bader calling him wrestling's "Original Godfather of Funk." Despite high expectations and strong opponents (on and off the mat) Rick Sanders continued to live life and wrestle on his own terms: spirited, unorthodox, and dedicated to the sport that he loved.

# FROM THE DESK OF NCAA PRESIDENT CHARLIE BAKER

Dear students, families and fans,

Thank you for coming, and welcome to the 2023 winter sports championship season. Championship events are the pinnacle of NCAA competition, and we thank you for supporting the student-athletes who make it all possible. Years of sweat, perseverance and fine-tuning their skills have led them here for a chance at a national championship. And to the coaches, event hosts and countless others who make these events possible, thank you for your hard work. The NCAA has more than 500,000 student-athletes and 1,200 schools and conferences across three divisions. You're witnessing the best of the best.

As I begin my tenure as NCAA president, I'm excited to get out and cheer along with you. I'm a former student-athlete. My wife, my brother and two of my three children also were student-athletes. I'm a firm believer that there's no greater experience for young people than college athletics. It opens doors to opportunity, forges friendships and captivates a nation. It teaches young people about accountability, teamwork and hard work. That's why I am working hard to transform the NCAA in this new era of competition, so it can best serve the student-athletes who make it all possible and the fans who support them.

You're witnessing the best of the student-athlete experience. College sports are the envy of the world and set the standard for opening up opportunities for young people.

We hope the memories you create here last a lifetime. Enjoy your experience and thank you for your support.

Charlie Baker
