FROM THE DESK OF NCAA PRESIDENT

CHARLIE BAKER

Dear students, families and fans:

Thank you for coming, and welcome to the 2026 winter sports championships season! Championships bring out the best in all of us. The cheers grow louder, the energy rises and the excitement stretches from campuses to communities across the country. These moments celebrate more than competition. They reflect years of preparation and sacrifice by student-athletes and coaches, while also celebrating the families, fans and supporters who make the journey possible.

For some, this may be your first championship experience. For others, it is a proud return. No matter your perspective, this season is a reminder of what makes college sports so special. The pursuit of excellence, the lessons learned through teamwork and resilience, and the unforgettable memories made along the way.

I believe college athletics is the largest human-potential development program in the world. It opens doors to opportunity, forges friendships and captivates a nation. It teaches you about accountability, teamwork, getting back up after being knocked down and many other valuable skills. The NCAA has more than 500,000 student-athletes and 1,200 schools and conferences across three divisions.

I also recognize that college sports are in a time of change. Change brings challenges, but also the opportunity to grow stronger. The passion and poise of student-athletes, along with the support of fans, families and partners, guide the Association toward a brighter future. Together, we carry forward a tradition that continues to inspire and shape not only the future of college athletics but the future leaders who emerge from it.

Our championships showcase the best of the best. I look forward to attending them each season and hope one day I'll get the chance to watch your team raise the national championship trophy. To our student-athletes and coaches, savor this stage and embrace the journey. To the fans, families, hosts and volunteers, thank you for making these championships possible and memorable.

Enjoy the championship, and may it create memories that last a lifetime.

Scratch and sniff.

(We didn't think so.)

KenShield Athletic Laundry Pre-Soak Disinfectant

Tired of unpleasant body odors and mildew smells appearing in your workout gear each time you start to sweat in them? It's frustrating and possibly embarrassing, right? Just adding Kenshield Laundry Pre-Soak Disinfectant to the soak cycle of your washing machine will eliminate those odors and keep them from returning. All this is done with no fragrances or dyes. Kenshield can be purchased in gallon containers.

As an added benefit, when used as directed, Kenshield is also effective against dangerous germs like MRSA and Staph in the laundry (not available in all states).
