# WELCOME

## **Sally Roberts** CEO & Founder Wrestle Like A Girl

Greetings and a warm welcome to the 2025 National Collegiate Women's Wrestling Championship!

We are delighted to be here today to celebrate the power and strength of women in sports. This championship is more than just a competition; it represents what can be achieved when our nation and wrestling ecosystem come together to uplift and support girls and women who wrestle.

This event is also a celebration of each of you who have borne the battle to support our female wrestlers – America's future leaders – to overcome barriers that have long been standing in their way. We are making good on the promise that was made that to our sisters, daughters, and mothers 52 years ago that, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

We are also filled with immense pride and gratitude at the recent, landmark decision to recognize women's wrestling as the 91st NCAA Championship sport! This milestone is a declaration that women deserve equitable opportunities to compete, to lead, and to thrive. Women's wrestling is not just a sport; it's a movement that empowers women to see their strength, their value, and their limitless potential.

We would like to extend our heartfelt gratitude to all the stakeholders who played a crucial role in making this possible. Your unwavering support and dedicated efforts have helped us come this far, and we are grateful for your contribution.

However, there is still much more work to be done. We need more coaches, officials, financial and fund investors, and supporters to develop women's wrestling and create a robust foundation for future growth. By doing so, we can create a more inclusive, enriching, and diverse landscape for everyone.

We are grateful to have you all here today and be a part of this momentous championship event. Let us join hands to empower women and make a difference in the world of sports.

Sincerely,  
*Sally Roberts*

On behalf of the Iowa City Area Sports Commission, we want to welcome you to Coralville/Iowa City or what we like to call WRESTLING TOWN, USA! We take great pride in all competitions we host but none more than women's wrestling events. Just last month we hosted the 2025 Iowa High School Girls State Wrestling Championships which drew over 14,000 spectators in two days. Now, we are lucky enough to give the college women competing in the 2025 NCWWC Women's National Wrestling Tournament center stage.

Xtream Arena is a great competition venue where you won't find a bad seat to watch the wrestling and for the participants, the attached GreenState Family Fieldhouse offers ample warm-up and team camp space to ensure everyone is ready when they hit the competition mats. The Iowa River Landing with its multiple restaurants, shopping and hotels offer fans a great championship experience to never have to leave the district.

We want to wish all competitors good luck while they chase their dream of becoming a NATIONAL CHAMPION and a congratulations on the historic announcement of women's wrestling becoming a NCAA sanctioned sport in 2026. The groundwork for that achievement was laid by all women competing and supporting this tournament now and in the past.

# Tournament Leadership

## Dr. Charlotte Bailey Tournament Director

Welcome to the 2025 National Collegiate Women's Wrestling Championship. Our community is excited to have you here for this year's championship event, featuring wrestlers from all three NCAA divisions, in the final NCWWC tournament. We're looking forward to more matches, more fans, and more energy in the building with the expanded field of 320 female wrestlers taking the mat this weekend to earn their place in women's collegiate wrestling history.

Next year, wrestling will take another historic leap forward as the 91st NCAA Championship sport. It's been an amazing journey of collaboration, growth, and grit that's gotten us to this point. Let's celebrate together in Xtream Arena as we crown 10 individuals and one outstanding team the 2025 National Champions.

---

## Special Thanks to our Additional Tournament Leadership

We extend our heartfelt gratitude to Dr. Jackie Paquette, and Think Iowa City, the esteemed Tournament Leadership, for their unwavering commitment and tireless efforts in supporting the National Collegiate Women's Wrestling Championship. Their dedication has been nothing short of inspiring, as they played a pivotal role in ensuring the success and smooth execution of the tournament. Their passion for women's wrestling and their invaluable contributions have left an indelible mark, creating a memorable and empowering experience for all participants. Thank you, Dr. Jackie Paquette, and the Think Iowa City team for your exceptional leadership and for championing women's wrestling on this stage.

Sincerely, Charlotte Bailey (Female Elite Wrestling) and Sally Roberts (Wrestle Like A Girl)

## Shoney Blake

### National Anthem Singer

Shoney Blake is a partner at Pipestem Law, P.C. specializing in Federal Indian and tribal law. From representing victims of sexual and domestic violence in their applications for deferred action under the Violence Against Women Act and U nonimmigrant status to co-authoring amicus briefs at the United States Supreme Court on behalf of the National Indigenous Women's Resources Center, some of Shoney's most fulfilling work has been elevating the voices of and advocating for women.

A former NCAA Division I softball player, Shoney was raised in a wrestling family, fostering a deep love and appreciation for the sport. As a coach's wife, Shoney has witnessed a wrestling room's capacity to unite athletes from different cultural, socio-economic, and political backgrounds and to instill in them values they carry with them long after their time on the mat has ended.

Shoney currently serves on the boards of Wrestle Like a Girl, the Stanford Indigenous Alumni Association, the Oklahoma Foundation for Excellence, and the Tulsa Literary Coalition, and is a member of Stanford University's Multicultural Hall of Fame.

# UNBREAKABLE

FEMALE ATHLETE

**UNBREAKABLE FEMALE ATHLETE WAS FOUNDED ON THE BASIS THAT FEMALE EMPOWERMENT IS VITAL IN BREAKING DOWN NEGATIVE, HARMFUL STEREOTYPES SURROUNDING FEMALE ATHLETES. BEING UNBREAKABLE DERIVES FROM THE IDEA THAT WOMEN MUST ENDURE AND OVERCOME SYSTEMIC INEQUALITIES, BUT WE ARE TENACIOUS. DESPITE BARRIERS IN FACILITIES, APPAREL, MEDIA COVERAGE, FUNDING, SALARY, AND GOVERNMENT SUPPORT, WE REMAIN UNBREAKABLE.**
